Executive for Inspection & Security
THRU : Deputy Assistant Director for Operations
Chief, FBIB

9 August 1948

Cablegram sent by []

25X1

1. On 6 August 1948, [] CAF-8, Radio Technician, FBIB East Coast Bureau, Silver Hill, Maryland, requested a private interview with the Chief, FBIB. In this interview he reported that: 25X1

a. He has been working some during his spare time as a Western Union operator at the Western Union office in Bethesda, Maryland.

b. In the early evening of 5 August 1948 a lady, whose last name is [], and her nephew came to the Western Union office and addressed a cablegram to Szczewczyk, Belgrade, Yugoslavia, written in Polish. 25X1

c. He understands Polish and translated the message as follows: [] continues working at hospital. She is well informed." 25X1
25X1

d. This was a prepaid message, meaning that someone in Belgrade had paid for this message so that it was not necessary for the sender to pay for it.

e. He believes that this lady whose name is [] the wife of a Polish General who is at present Air Attache at the Polish Embassy in Washington. 25X1

f. The lady referred to in the message as working at the hospital is believed to be named []. She has filed messages before when [] was on duty. She filed a message on last Mother's Day to New York which said, "Come to hospital. It might be too late." This message is now thought by [] to be peculiar, since he states that he has since learned that this lady is not a patient but rather an employee at the hospital. 25X1
25X1
25X1

2. This information is forwarded for whatever action is deemed appropriate since [] believes the actions of these individuals to be suspicious. 25X1

This document part of classified integrated file. NAME CHECK required prior to individual classification action.
